

General Truck Rules

- 1 Must have Receiver Style Hitch fixed in all directions, not to exceed 26 inches to the top of hook point, with a minimum 3 inch inside diameter. 2WD modified class allows 28 inches.
- 2 Only one driver is considered for Award Placing (Points, Trophy, Money, etc.).
- 3 No passengers.
- 4 D.O.T. approved tires only.
- 5 No loose weights – all weights MUST be secured, no hanging weights or weights exceeding the bumpers in stock classes.
- 6 Sled chain may be lengthened or raised for a pull off by track officials.
- 7 At the end of pull, back out of throttle so sled does not ram rear of truck.
- 8 All trucks must cross the scales immediately before they pull.
- 9 Failure to follow flag man's instructions (stop for red flag) will result in a disqualification.
- 10 Age Restrictions: Drivers must be at least 16 years of age with parental consent.
- 11 Diesel trucks pull the Diesel Class only.
- 12 All trucks must be safe to pull at the track official's discretion.
- 13 At least 3 trucks are required to make a class.
- 14 No NOS or propane permitted in any class.
- 15 All diesels with open (after-market) exhaust must have safety crosses installed after the turbo.
- 16 4X4 may disengage and pull in 2WD.
- 17 All Modified and outlaw trucks must follow NTPA Drive line safety rules
- 18 Must wear DOT approved helmet at all times when hooked to the sled.
